

A MESSAGE FROM AGNES ANDREWS

Allstate Shelter-in-Place Payback

Due to “shelter-in-place” orders, people are driving less. Given a decline in driving, auto customers will receive a Shelter-in-Place Payback when you claim your payback:

- Active bill-paying customer will get an average payback of about 15% based on monthly auto insurance premium for April and May.
- Allstate will automatically deposit money back through a credit to your Allstate account, bank account or credit card on file, depending on your payment preferences.
